DD/S 70-2785

2 JUL 1970

**OGC HAS REVIEWED.**

MEMORANDUM FOR: Chief, FE  
Legislative Counsel ✓

Bill - Jack:

The DD/S's initial reaction is that the Agency should not initiate contact with the Committee/Committee staff but should be prepared to respond in the event that the Committee does decide to press any issue which could involve us.

We are prepared to discuss this subject further if either of you has a different view on what the Agency should do.

[REDACTED] 25X1A

John W. Coffey
